This magnificent natural sealed server can be rounded off with any type of top, in this instance a wooden top was used. A glass top will also look very nice. The legs and leg frames are thick (70mm square) and together with the middle top and bottom slats give it a "chunky" appearance. Very sturdy piece. Will also be an excellent kitchen island.

Dimensions:

Length: 1000mm
 Width: 400mm
 Height: 750mm
