super easy.
 Contour Cutting Signage, check out the V-Smart Series, an advanced machine that
 has a better Control Panel with USB Drive Port.
 If you thought that such an leading tool will come with unreasonable amount of wiring, then wait to hear
 this. We have introduced the quality of portability in this series so that you can conveniently move your
 files on a USB drive and connect it to the Vinyl Cutting Machine. It couldn't get more straightforward than
 that. Do away with all the tangles of wires.
