

Amplifier and Mixer repairs

Location **Gauteng, Johannesburg**
<https://www.freeadsz.co.za/x-131232-z>

If you are experiencing any technical faults or have damaged your amplifier then arrange a repair with the experts.

If your amplifier is damaged or broken it can stop your speakers from performing to their best or even stop some speakers from working all together. It powers the speakers so that they can output to their maximum potential and is a very important part to your equipment.

The amplifier repairs are always completed to the highest standard and come with a warranty on any work done and parts replaced to ensure your peace of mind.

Regardless of the amplifier brand you have, we can still help. The repair centre has access to the best replacement parts and equipment needed to repair amplifier faults.

simply contact the team today to discuss getting your amplifier.
