2002 Volkswagen Microbus 2.6i

Owner, FSH, runs like a dream, while we've never had an engine overhaul or major mechanical issue. Only 178,000km, great condition - bar some body scratches, front chip marks and bumper bumps. Interior is worn in places, but still in great condition. Aircon, power steering, tow-bar, central locking and two sets of keys. Great 2.6 engine and plenty of.
