The bakkie is grey, with very little scratches. It is only a 2 owner car. The back of the bakkie is in very good condition and it has a towbare.

Service is done every 10 000km, no service history first owner lost the service book. Fuel consumption is +9.5km per liter.

Reason for selling is owner drives +6000km a month and R8000 for diesel a month is to much. Price is negotiable because the bakkie needs a set of new tyres. Interior is also in good.
