I bought the vehicle as a off time project but now I don't have off time! The vehicle does not have brakes (new brake discs and pads cost R 540 for the set at midas) so it will need to be towed away with a A frame or towing iron its got a new clutch cable, fuel pump and distributor timing still needs to be set 100% I am selling the vehicle as is and the papers are in order licence exp 2015/10/31 as you can see it needs body work, as well as shocks and brakes and two tyres the seats has been recovered and new carpets is in place but the door panels needs attention please remember the car costs R 6500 so its not s new car it does need attention. you can call or whatsapp me for more info, no offers.
