I bought the vehicle as a off time project but now I don't have off time! The vehicle does not have brakes so will need to be towed away with a A frame or towing iron its got a new clutch cable, fuel pump and distributor timing still needs to be set 100% I am selling the vehicle as is and with out papers licence exp 2015/10/31 the guy I bought it from said he will give me the papers end of march 2016 but not sure if he will (he seems confident) as you can see it needs body work, as well as shocks and brakes and two.
