Simple operations adjust the microphone volume level and the key of the tune.

* English and other Roman alphabet based languages.

* Due to copyright restrictions, the lyrics of some songs may not be displayed.

Advanced 3-Step Lesson System

TV Lesson Interface

View the keys you need to press and a fingering guide on the TV as you play. It's the easy way to see if you are playing the correct keys.

TV Lesson Interface

Scoring system

When you play on the TV, the CD, and the recorded voice, you can know how you are doing.

During Play, the results are displayed by an on-screen display and stored in memory and annotated by a simulator.

During Play

After Play

At the end of the lesson, the keyboard rates your play both vocally and by displaying your point total.

After Play

Practice Phrase feature

The display shows the phrase where your point total was the lowest, so you can practice until you master it.
