

Home Fires 800 fireplace freestanding wall unit (4500 R)

Location **Gauteng, Pretoria**
<https://www.freeadsz.co.za/x-138086-z>

I have a 800 Home Fires freestanding wall unit with two 3.5m flue pipes. The second flue pipe together with the rotating cowl and slip-on base have been galvanized for weatherproofing.

The fireplace is the deep unit and comes with an protection grid .

Still installed and would need time to remove for you.

New this lot would cost nearly R9 000.00 so my price is 50% off the new.
