BlackBerry Passport : For every benefit, thereâ€™s a compromise

BlackBerry Passport was purpose-built to drive productivity. It is the most advanced, most powerful and most innovative QWERTY keyboard smartphone on the market today. Featuring a visually immersive touch-screen and ground-breaking touch enabled physical keyboard, BlackBerry Passport caters to productivity.

The large square touch screen with 453 pixels per inch resolution is 30% wider than an average 5 all-touch device, and displays 60 characters across allowing for the best mobile viewing experience in any situation.

The three row touch-enabled keyboard gives you unmatched efficiency and control whether youre creating content or scrolling through it.
