2.5 turbo diesel intercooled, it runs a bit stronger than the standard 2.5 tdi with upgraded exhaust system and diesel pump optimized. Good condition, still a 10 month guarantee on the gearbox and diff. Good reliable vehicle with low maintenance costs compared to other 4x4's. Reason for selling is that I have 2 cars. Best fuel consumption that I got on a tank was 11km/l and worst was 8.5km/l. The transfer case needs a new chain, I have been quoted R7500.00 to have the chain replaced. If I get it fixed then the price is R130 000.00, or as it is now then the selling price is R115 000.00 The trade value is R134 000.00 and retail is around R170.
