This opportunity is limited, so don't delay.

ASI guarantee that you will be able to fill your house for at least 4 terms. This short term investment is expanding and we are getting investors on board for the expansion.

One can buy into a shared farm or own your own full operation where ASI will manage it for you!

There will be a 4% monthly pay out on capital invested and a further equity growth which is expected to be around 20% per year.

If you ever thought of getting involved into poultry production or not this is a great business opportunity for anyone. Get on board with our experience and expertise. Ask Emele for the full business plan and equity packages at:
