BMW E36 325i 1993 model manual. straight 6,the car is still in good condition inside,its got black leather seats,black carpet through out the car still like new has got a sunroof and the roof is still good clean new material,no cracks on the dash board, no cracks on windscreen, 90 - 95 % treat on its 16's with mags,the car is very fast and light on fuel.its not a new car but was in every day use until monday on my way to work the rubber between the prop shaft and the gearbox wear off because of old age,

The car is also needing the following

*needs 02 sensors [oxygen sensors]

It was taken out for more performance its driving like a dream without them as well

*instrument cluster[where the clocks are]its ether faulty and can be fix or needs a new one

*needs a oil seal on the tapped cover

Car is on the road and papers in order.

The car has been chip but can be removed

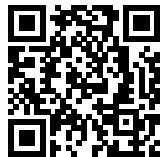

I'm in Rayton Gauteng Just outside pta,

Want to swap for smaller car or bakkie that has got papers licence can be a bit behind but prefer on the road , any offers are welcome, Or sell for R17 500 not Neg as I already went down to much on the car, my wife is scared of driving the car its to fast for her and she needs to take the kids to school and back,my car is not new and needs tlc on the body but she is still a good looking car ,and very fast and steady on the road,only needs the rubber and she goes again,please notice no time wastes please and the car needs to be put on a trailer if come to fetch it,my whatsapp number/contact number 071 938 6102 can whatsapp for more
