

Caravan amp camper alarm (2900 R)

Location **Gauteng, Johannesburg**
<https://www.freeadsz.co.za/x-146046-z>

The Ratel alarm system notifies you via SMS of an alarm activation and allows you to control and program the system remotely with your cellular phone.
 This is an ideal alarm system for your caravan and camper.
 The system can be programmed to SMS 3 numbers and voice call an additional 3 numbers upon an alarm activation.
 You can call the system from your phone and listen in.
 You can SMS the system to check if it has AC power or to see if it is armed or not.
 By pressing one of the 3 panic buttons it is possible to notify up to six different people of an emergency.
 The system may be expanded to a total of 11 wireless sensors, each in its own zone.
 Each zone can also have more than one sensor in it.
 System contains: 1 x Control panel, 1 x siren, 1 x wireless PIR, 1 x wireless door sensor, 1 x mains charger, all batteries, mounting kits.
 The system carries 1 year manufacturer warranty.
 Additional sensors and technical support are available.
