Hi all

This car was previously bumped in front.

Airbags are deployed but the interior is still in tact & clean with a CD player.

You will need to fix:

- 1. Steering and
- 2. Passenger side, dash-board Airbags
- 3. Broken left head light
- 4. Windscreen
- 5. Tyres
- 6. Wipers
- 7. Front passenger side window & driver side (mechanism, window still on)
- 8. Then overhaul the engine (I've already dismantled it)
- 9. License disc expired this month.

All parts that needs fixing could come to R7500.00 or less

Ran out of funds trying to fix it.

I will send you pictures via Whatsapp since I could not upload them

Apologies for the poor quality.
