Hi all

This car was previously bumped in front.
 Airbags are deployed but the interior is still in tact & clean with a CD player.
 You will need to fix;

1. Steering and
2. Passenger side, dash-board Airbags
3. Broken left head light
4. Windscreen
5. Tyres
6. Wipers
7. Front passenger side window & driver side (mechanism, window still on)
8. Then overhaul the engine (I've already dismantled it)
9. License disc expired this month.

All parts that needs fixing could come to R7500.00 or less
 Ran out of funds trying to fix it.
 I will send you pictures via Whatsapp since I could not upload them
 Apologies for the poor quality.
