Great investment/business opportunity. I have three businesses, a second-hand car sales business established for 15 years, a trailer rental business for 3 years, a battery fitment centre (temporary closed) and windscreen chip repairs could be added to the fitment centre, a residential house consisting of two bedrooms, lounge, big kitchen, full bathroom and separate toilet (attached but separate to businesses). Property is rezoned for Business 3. You can live and run all the businesses yourself from the same property and never pay rent again. Or you could rent all four, R17 000/m for the Car sales, R6000/m for the fitment centre, R5000/m for the trailer rentals and a possible R6000/m for the house. Fully equipped for vehicle sales with tool room, big workshop, storage rooms, built in music all over the property including R32 000 alarm system linked to armed response. Trailers are included in the price. This sale is a Lock Stock and Barrel, from a R8000 battery charger, photo copier, furniture, right through to the bolts, nuts and washers in the store, you will not need to bring anything but your laptop and lunch! The sale of pre-owned vehicles is still one of the most lucrative businesses to have. I can make myself available to train and guide you in all facets of the businesses. This property and businesses will be sold as a whole, nothing will be sold separately. Everything is set up ready to do business from day one!! Phone me to view: 083 30 20.
