This beautiful property has been our home for the past 18 years. We have recently built our dream house in a different location. We have 5 bedrooms, 3 bathrooms, 2 en suite, 2 lounges, a fireplace, swimming pool, outside braai area, outside lapa, double garage, car port (was for our boat parking). We have an alarm system in the house, as well as air cons in 2 of the bedrooms. We also have a 1 bedroom granny flat in the garden which is very spacious - also has an aircon installed for the summer heat.

We are property developers for a living and look after many holiday houses for various people. Perhaps this would be an option for you ?

This house i situated in a safe neighbor hood with a neighborhood watch, as well as many considerate people, as there are many children roaming the streets between friends houses. We have never had a break in or any form of crime. The yard is electrified with a motorized gate.

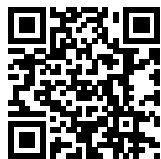

Please contact us as we have many many more pictures to send through should you wish to view them.

House is available for occupation.
