This magnificent table frame can be rounded off with any type of top, in this instance a thick glass top was used. It can seat 8 to 10 people. The legs and leg frames are extra thick (150mm square) and together with the middle top and bottom slats give it a "chunky" appearance.

Very sturdy, heavy and very strong. Will be an excellent dining-room table. The top and all chairs are excluded. Benches/chairs are optional.

Dimensions:

Length: 2000mm
 Width: 950mm
 Height: 750mm

Also available in various stains or white wash techniques. Contact Johann for.
