The ceramic dog with nodding head was commonly found on the ledge in the back window of motor cars in the 1960's and 1970's. I have a Hudson, 1957, and am making it look like a car from those days. Mudflaps, orange on the aerial, etc, A ceramic version of this nodding daog , will be paid for in cash, and collected. Gavin"doc"ritchie, 083 653 7730, doccolour@telkomsa
