Will you be having a western/white wedding? If so - please let me know - I will be offering a wedding dress service I have a dress maker I'm working with, the workmanship of the dresses is world class. So the way it would work is that we discuss your wedding dress silhouette and from there we create a dress you choose (we can make any design) and this service would be at a fraction of the prices wedding dress shops charge and plus you would have a truly unique dress made to your specification. Dresses need to be ordered 3 months in advance and can be ordered within Gauteng. Contact us for prices and previous dresses. We will be your best
