The Titan™s Android 2.3 (Gingerbread) interface may be instantly familiar to Android users. However, the phone is significantly different in a very interesting way, namely, its compliance to the US MIL-STD-810g military standard. The shock resistant and dust proof Titan is clearly designed to handle and survive any abuse that life outdoors and inclement weather can throw at it. Its screen is bright and readable in direct or bright sunlight, while it comes with apps such as Facebook, Whatsapp and all banking apps saved on 4 GB of.
