This price is not at all negotiable and offers will not be entertained. I am purely selling the car because I have too many. So I am not desperate and will request top dollar so absolutely no time wasters! Also test drives only by strict approval. It is a white Mercedes Benz C240 1999 Elegance model. Accident free and all paperwork perfect. Licensed up to February 2017. Roadworthy done. Automatic with 314000 km on the clock. Has been lady driven for many years. Petrol (R900 to fill), airbags, brand new front loader CD and USB radio with remote, power steering, electronic key, electronic windows, power steering, electronic sunroof, leather interior (in good condition for its age), tyres are Firestone Firehawk with about 50% tread left, v6 engine (economical for v6), tow bar with bike caddy and so much more. Spare tyre still new. Has only driven 2000km since major service so next one will be minor. Book not stamped but can provide receipt as they always forget to stamp the book. Brand new platinum spark plugs, New engine and gearbox mounts, New oil and oil filter housing with new seals and all. Tools and jack in the boot. Problems are minor and I just haven't had the time to do them. Front passenger air flap needs to be replaced for aircon to work properly. Driver side mirror cover doesn't wanna fit back properly. Front bumper needs to be properly hooked back on. This classic car is in a really good condition overall for a car of its age and has been treated like a child.
