Due to its efficiency, cleanliness and reliability, natural gas is growing increasingly popular. Not only is gas a consistent form of power supply, it is also safe and substantially more cost effective than electricity.

Terms and Conditions for Quote Comparisons:

SA Energy Group is happy to beat any formal written quote our clients provide us with. However, there is a qualification criteria for the Quote specifics:

â€¢ Quotes provided to us for better prices must be a formal Pro Forma Invoice from a legitimate registered business that has been operational for two (2) years or more. These Quotes should reflect business contact details as well as business Registration and VAT numbers.

â€¢ Better prices may be granted for such Quote Comparisons, only when the product is identical in make, model and specification. Quote Comparisons items must have an exact match.
