Stay in Johannesburgs smallest suburb, set between Troyville, Maboneng and Kensington, 20-30 Minutes away from most of Joburg and a 1km or 2 maximum from the CBD. Walk to the shops Jeppe Boys, Girls and Preparatory School, drive down to East Gate, Bedfordview or to the airport in 20 Minutes. Its difficult to find a more secluded place right in the heart of Joburg.

The main House itself has 3 bedrooms upstairs, a self contained cottage downstairs with One and a half rooms, kitchen and large Bathroom, seperate entrance.

This house, cottage combo is Perfect for Large family or artist residence, we want people who can appreciate its uniqueness and maintain the upkeep.

The main house has a large open plan lounge, kitchen and pantry with views to Suikerbos Rand (80km away). The rental includes a washing machine and fridge but excludes cutlery and beds that need to be bought. There is a large balcony for socialising and a large terraced garden you can get lost in and totally forget you are in the inner city. The house is on a culda sac making it extremely safe, our multicultural street keeps a watch on anyone coming down to the bttom of the road making it one of the safest streets in all of Joburg, No break ins in over 10 years and with our style of gardening its almost impossible to get near the walls at this stage. This really is a unique home, looking for a long term lease for the right.
