- Efficient solar panel with high lumen LED bulb, making full use of solar power
- Built-in lead acid battery, equipped with overcharge protection, over-discharge protection, overload protection and short circuit protection
- Special switch-off charge function and low voltage disconnection (LVD) function: effectively decrease system standby loss and prolong battery lifetime
- Indicator function displays current capacity charge
- USB output maximum: 5V/1.5A, supporting a multitude of smartphones, digital cameras and other compatible mobile devices
- Output overload protection: if output current is over 3A, the system shuts down output automatically
- Easy installation and use
