Insanely powerful. Very reliable on out rides. Needs new brake pads and throttle lever. Comes with extra used set of rear 20 tyres. Has upgraded gas shocks and full HMF performance pipe.bike had also been newly wrapped with mat metallic grey dipping for a protective layer over plastic gaurds. tyres currently on quad are still very good. Please WhatsApp me on 0711423515 for more information. Very sad to let this go. Price is.
