I've recently bought a Jurgens Explorer caravan, as seen in the background of the pictures, and really don't have need or space for this trailer. This 2015 Campmaster Town and Country 300 trailer is in a very good condition, no dents, marks or rust, as only used a few times for fishing trips. XL Eezi Awn Tent with side walls also in good condition. Registration forms and all other papers are in order. Trailer fully rubberized and has a new spare wheel as.
