Kawasaki KFX 700 quad in excellent condition with registration papers
 Bike had full service about 3 months ago at which time overhead settings were done, rear brake discs and drive belt were changed. Less than one hours riding since service.
 Motor is standard and has never been opened except for overhead settings.
 Runs smooth and make power like new.
 Welcome to test ride in front of my property or R500 secures a 20 min outirde non refundable if you don't take the bike.
 These bikes are hard to find especially in this condition so no time wasters.
