WOW! Seeing is believing. This 3 bedroom house all with BIC, offers 2 bathrooms, separate toilet. The main bedroom is very spacious! From the bedroom you walk into an adjacent room with plenty of closets, and around the corner to that you have your private bathroom with corner bath, shower, toilet and basin. A big kitchen with plenty of cupboards. Then, the best of all, there is a lapa attached to the house, that has a built in bar, and plenty of space to entertain. This space is currently being used as the dining room, living room, and entertaining area....it is MASSIVE! 1 Lock up garage with domestic quarters. Due to this being a corner stand and has 2 entrances, the garage and domestic can be converted to a flat for extra income, as there is still undercover parking for 4 vehicles. All of this on a big stand of 1230m2! Don't miss out, phone me today! This one will go!
