Seventeen stylish inner city apartments, good security and fantastic finishes, this development has soul and attitude.

Mainframe was previously an abandoned industrial space and we have chosen to retain that spirit, framing insights from its past on the walls. This buildings story is still in the making and its past is carried forward into this phase of its journey. Our brief was to create a place of comfort and exclusivity, a refuge from the busy world outside, so we invite you to come and live where your soul can be replenished and inspired.
