THE ALL NEW Avenger Hood

LIMITED STOCK AVAILABLE

*****Highflow Heat Reduction Bonnet/hood for Jeep Wrangler JK 07-15 Stamped Steel*****
Bonnet available for shipping from our warehouse in South Africa.
This bonnet is Stamped steel Primed in E-coat Satin black, for 07- 15 2door and 4door models or JK8
Fibreglass Bonnets are Not to be used in South Africa for road use, a fibreglass bonnet shatters and splinters on impact and therefore your vehicle can be DEFECTED for using a fibreglass bonnet,
THIS IS WHY WE ONLY DO STEEL BONNETS.
The Auto Africa Online Steel Highflow Bonnet for JK is a ready for paint Replacement Bonnet/hood, it radically increases the air intake volume and Helps to expel heat from the engine bay due to 8 fully functional vents.
This bonnet/hood has a dual stage heat reduction designed to expel the maximum amount of heat from within the engine bay at both highway and low crawling speeds, this bonnet/hood features 3 vents on the centre cowl on each side (total 6 vents) Specifically designed to expel heat travelling directly upwards at crawling speeds also featuring two vents on the side of the hood at the rear which are designed to give heat in the rear of the engine bay at the firewall an area to exit the engine bay when traveling on highway or crawling,
The JPA Highflow hood is a great option to help reduce engine bay temperatures and combined with our highflow grill this makes a perfect combination for Maximum airflow through the bonnet and grill, giving some of the highest ability of cooling in the industry.
Windscreen Washer
The JPA Highflow Bonnet has dual windscreen washers built into the top of the bonnet bulge meaning better windscreen water dispersement than other brands that relocate to the vent under the window they don`t get the water dispersement over the.
