Home security Alarm

Protect your house/flat/business from criminals with our high tech gsm security alarm. Contact us to get a reliable and affordable alarm system. We have different GSM security alarm systems.

This alarm system will notify you (by sms and by call) when someone breaks into your home/business. It does not matter where you are, as long as you have your cell phone. You can have a peace of mind knowing that you will be automatically informed if someone breaks into your home or business. You can select up to 6 people to receive pre-recorded voice calls and up to 3 people to receive SMS messages (the number of SMSs can be increase up to 150 if you are using a smart phone).

You can arm, disarm and check the status of your alarm system using your phone where ever you are. It can be installed in different locations including homes, shops, offices, workshops, flats, etc. It is an ideal choice to protect your property.
