* The electric pizza oven has refractory stone - which gives the pizza that same original, Italian wood-burning taste.

- * The pizza oven is compact, portable and easy to store.
- * Cooks pizzas more quickly and evenly than a conventional oven.
- * Pizzas are ready in only 5 minutes.
- * Cooked pizzas have a crispy base.
- * Electronic timers with visible/audible indicators on some models.
- * Convenient and user friendly.
- * Versatile and multifunctional - you can make a variety of dishes in the the oven in a very short time, which saves on your electricity bill.
- * Generator friendly for all those "black-out" days.
- * Use it to cook any dish you can make in an oven - also make your own tasty "banting" pizza.
