Hyundai's Elantra has grown but not bloated, become more powerful yet more economical and is certainly prettier than it was back in the late 1990! Knowing that the compact car segment is both finicky and style savvy, Hyundai is smart enough to gift the Elantra a head turning exterior - the Elantra looks like it's shaped by the wind. The GLS is very composed and surefooted through the corners and boasts disc brakes all around. The Hyundai is very competitive in the compact car segment - great news for first-time buyers and those on a budget! Spare key included. LICENSE, REGISTRATION AND DELIVERY FEES NOT INCLUDED. FINANCE CAN BE ARRANGED AND TRADE INS
