

Panasonic FZ100 Camera (3999 R)

Location **Gauteng, Vereeniging**

Rated the best "cheap" camera available. Includes carry case worth R799 and and spare battery worth R1045. In possession of original purchase invoice. "Verdict:

The Panasonic FZ100 is an impressive camera, with superior build quality, excellent handling, fast performance and a range of features better than almost anything else on the market. If youre looking for an all-purpose camera with high-quality full HD video its worth considering, but less-than-stellar still image quality and limited battery duration are causes for concern.
