High-Speed Copying

20 A4 or 13 A3 pages per minute.

Extensive Paper Supply

Equipped with a drawer base unit*, Konica 7020 makes available up to 2,550 sheets in its trays and multi-sheet bypass.

Automatic Duplexing

Konica 7020 offers high productivity also when duplex copying. Even double-sided originals are processed and reversed auto-matically.

Job Memory

15 different copy patterns can be stored and instantly recalled.

Touch Screen for Convenient Operation

All settings are quickly and easily entered via the interactive touch screen. The CHECK key calls up a display to confirm all active settings. And a JOB LIST informs which job is processed at any time and how long this will take.

Help Function

Konica 7020 provides a HELP key with which a corresponding Help creen can be called up at any time. If there is a problem (e.g. a paper jam), a Help menu appears automatically.

Digital Image Editing

The special digital functions allow easy editing of files and the creation of completely new images. Copying, zooming, rotating, and other functions are available. The special function enables the reproduction of high-resolution copies which can be used as a poster with cover pages and chapter pages.
