150cc Vuka Scooter, this thing was the best investment I made, it's fast, reliabale and very economical. I'm just feeling like a upgrade is in order. This scooter is currently in daily use, it have papers,owners manual, and service history. Minor cosmetic attention required as seen on pictures attached, 4000 km on clocks. Needs new back tyre in near future. Call me for any questions 063 880 8450
