With soft neutral bushveld colors throughout and massive windows bringing the African wildlife indoors, guests will experience unprecedented comfort while enjoying the sights and sounds that Mabula Game Lodge has to offer. Watch the warthogs nibble their way through the gardens and hear the incessant chatter of happy birds as you relax on your patio, or escape the African heat in your cozy lounge. Soothe your weary muscles in the large stone bath or hop in to the shower for a quick wake-up dip before boarding your morning safari drive. Itâ€™s your malaria free home away from home in the African.
