I'm selling my car to buy a new one. This car is mechanically in a very good condition, I use it daily to travel to work. I have invested a lot in maintenance of the vehicle. It has only missed one service. 198 000 km on the clock. The tyres and brakes are relatively new. It has a few minor dents, but otherwise it is ready to go. It has E/W, P/S, A/C, automatic lights and wipers, tow bar and spare keys. Price is.
