Simply captivating surround sound

The CineMate 520 system delivers genuine surround sound that places you in the thick of the movie or match, concert or video game. Five sleek speakers and a wireless bass module deliver all the sound you need with minimal impact on your room. A small control console accommodates connections for much of your A/V gear, all controlled with our universal remote.

And you can easily add streaming music like Deezer and Spotify to the mix with the optional SoundTouch wireless adapter.

- -True 5.1 surround sound from five slim-profile speakers
- -Wireless Acoustimass module can be placed out of sight in your room
- -Small control console with 4 HDMI inputs, display for source selection
