Bmw z4 3.0l auto convertible for sale at a rediculous giveaway price of only R69000

She has no dents or scratches,body in excellent condition.engine and gearbox excellent.i have replaced all the brake discs and pads and done a full service on her.i drive her everyday and there are no issues.

She will need tyres,a new windscreen which i can help with for 2500 fitted and new headlight globes.headlights are very dim.the roof motor is not working but does open and close perfectly manually.small tear on drivers seat but otherwise the interior is beautiful.

She is just too low for me now so im selling her for a song.

Please note,the car is geing sold with the original silver wheels and not the black ones.
