Very cool mouse. It has a built in scanner on the bottom, so you just push the button and start swiping to scan a document instantly. Works like a charm, and works perfectly as a normal mouse. Very easy to use.

Unwanted gift. Sells for R1400 brand new. Scans up to 300 dpi for image quality(Brilliant quality). Has even got a sleeve to put mouse in for transport. Voucher included for purchase on I.R.I.S website products and even coupon code, registration, etc. Brand new with everything. 3-Month Evernote Premium subscription also included.
