For sale a motor for a JS440 Jetski. Motor has been fully rebuild by jetski passion. It was rebuilt from the bottom up. The crank was fully rebuilt and balanced. Full set of new rings, seals, bearings and gaskets. 130psi compression on both cylinders. Cylinders were honed. Carb is a Mikuni BN 38, fully rebuilt. The rebuild cost me R6800, invoice available. Brand new starter. The engine has only had 20mins run time on the hose. It fires first time. Reason for selling, scrapped project. Motor includes the bed plate, Ebox and after market exhaust. Motor will also fit in a js 300 hull.
I can send you a video of it running and firing first.
