This walking aid mobility scooter was bought NEW for my mother to allow her to get out and about and maintain her independence. This mobility scooter was assembled quickly and easily and demonstrated once, and has been re-boxed as it was never used as my mother became ill and died. Included in this sale is a NEW Dust Cover and New carry-pack shopping bag (additional to Front basket). This Spitfire Scout mobility aid is RED, has 4 wheels for stability and a rechargeable battery with charger, also included are armrests. It is easily dismantled and reassembled and is easily transported in a car-boot/back seat. I am looking for R17,750.00 (onco) -note similar products are advertised for R18'950-R24'.
