Garmin Guidance 3.0 allows you to quickly look up addresses and services and be guided to your destination with voice-prompted, turn-by-turn directions that speak street names. It comes preloaded with maps that feature 3-D landmarks and terrain for RSA. It also comes preloaded with more than 8 million points of interest (POIs) and offers the ability to add your own.

Avoid Traffic Tie-ups  
With FREE lifetime traffic updates from Digital 3D Traffic, nÅ¼vi 3590LM can help you avoid delays. Digital 3D Traffic provides updates as often as every 30 seconds over the HD Radio system, so you can easily reroute around congestion and arrive on time.

Enjoy FREE Lifetime Map Updates

With FREE lifetime map updates, you always have the most up-to-date maps, POIs and navigation data available. Road closures and detours are available down to the street level. No subscription fees and no extra map updates.  
Now there's no more guessing which lane you need to be in to make an upcoming turn. Available in select metropolitan areas, photoReal junction view makes unfamiliar intersections and exits easy to navigate. When you approach an exit or interchange, nÅ¼vi 3590LM will enter split screen mode and show you a realistic depiction of junctions on your route, complete with road signs and arrows that indicate the proper lane for navigation. Bird's Eye junction view also is included for a top-down look at upcoming complex interchanges.
