I Have a Brand new Sealed Samsung Galaxy S5, never opened at all.. I have received this phone recently only, from a service provider due to my previous phone that gave me lots of problem.

This phone has 24 Months warranty from the day the phone is active (in use). Phone has a 24 Months VODACOM WARRANTY Plus within the 24 Months of the phone being used, Vodacom will supply you with 2 Free Screen Repairs for the 24 Month period, Remember Vodacom do not sell brand new sealed phones with damaged screens, in actual events the user damages the Screen. We all know how expensive these phones screen repairs can be. Rather spend little extra and get safety and assurance.

Its sealed, enough to be said. NOT USED, refer to pics on my add.

You can Whatsapp me on 0848817020 if you're interested.
