Peplink Pepwave AP One Wireless Access Point (OAS-GN1-R)

Real Radio Performance; No Marketing Hype. Our True Power RF technology makes dead spots and interference easy to overcome. AP One has up to 10 times the power of other solutions and; unlike other high power solutions; we provide full power on all channels to achieve predictable coverage over a larger area with fewer AP's. Our adaptive power intelligence dynamically responds to the environment to make sure the correct amount of power is used. The Best Value in Wireless; Hands Down. No other product offers as many tailored enterprise features in an affordable and simple solution. AP One and In Control give your company exactly what it needs to leverage the benefits of Wi-Fi technology. You can be up and running in minutes without training or extra manpower. Cloud Based Control. No Expensive Controllers Required! Our FREE In Control management system allows you to easily deploy and manage countless APs with the simplicity of deploying one; even if they are spread between different locations. Simply
