I had a trailer build from scratch for a cooler but it can easily be used for many other purposes. I got engaged with another business venture which means I am not going to use the trailer anymore. See photo's attached.

Description: Still brand new road-worthy and fully licensed flat-bed trailer in excellent condition for sale. All paperwork is in order.

Specifications: It is 3m(total length) x 1.7m(total breadth) x 550cm(total height). The GVM is 1600kg.

The trailer can easily be expanded and converted to a much bigger surface for larger loads to suit your personal needs.

Price: R12,500 neg.

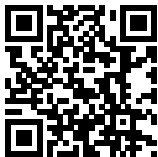

Please don't hesitate to contact me for more details.
