Black 16GB iPhone 4s for sale - very good condition.

Comes in box with charging cable.

I am also giving away a white 64GB iPhone 4s with the black phone.

The white iPhone's screen doesn't respond to touch (I received it like that).

It can be fixed at an Apple store, or the 64GB memory can be put into the black iPhone (also by taking it to an Apple store) - then the black iPhone 4s will have 64GB memory instead of.
